

DC33

DC33

SMART, SIMPLE, SWIFT

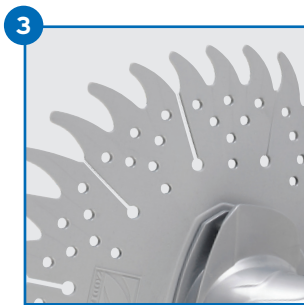

1 DURA LIFE DIAPHRAGM

Reliable power source provides maximum durability and silent operation.

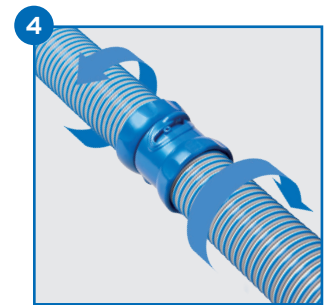

2 WHEEL DEFLECTOR/ QUICK CONNECTOR

Enables fluid navigation around corners, steps and ladders. Easily and securely connects to cleaner head.

3 SINGLE FINNED DISC TECHNOLOGY

14" disc diameter for greater agility in tight corners, and unimpaired cleaning over lights, main drains and wall fittings.

4 TWIST LOCKING HOSE

Provides simple connection and reduces vacuum loss.
